

Dear Hiring Manager,

I'm excited to apply for the Community Content Moderator position at Luupli, where I can leverage my 6 years of experience in web3.0 and cryptocurrency industry. With over 2 years of experience as a Customer Support Specialist and 1 year as a Community Moderator/Project Ambassador, I'm confident in my ability to assess content fairly and consistently.

As a detail-oriented crypto enthusiast with experience in community support and moderation, I've developed strong communication skills, problem-solving abilities, and adaptability. My experience with block chain platforms, moderation tools, and customer support will enable me to contribute to Luupli's success.

I'm currently one of Luupli's beta users. I'm drawn to Luupli's mission and appreciate the opportunity to work in a fast-paced startup environment. I'm excited about the flexible hours, competitive pay, and potential for growth.

I've attached my CV for your review. Thank you for considering my application. I look forward to discussing this opportunity further.

Best regards,  
Christopher Tiku (W3b3Chris).
